BERMUDA'S  
NEW FLAVOR  
**MARCUS  
SAMUELSSON  
DIGS IN**

### Give yourself permission to play.

"I love the idea of having a splash of the unexpected. This 'sofa' is actually crafted of concrete and painted with green stripes. We needed something that marked the boundary of the pool area. Landscaping was the obvious answer, and I thought, 'Wait, let's do something more fun!'" ■ For more information, see Sources, page 100.
