MIRASOL® UMBRELLA

The celestial dome shape of the Mirasol® umbrella evokes old-world charm. Its classic silhouette and striking shape offer a respite from the sun in the style of a bygone era.

The Mirasol is available with its own signature valance or one of our specialty valances, each expertly edge-finished with braid trim or fringe in coordinating or contrasting colors, giving each creation its own distinct personality. Mirasol is a natural choice for style-conscious homeowners.
