

Vogue® Umbrella

VOGUE® UMBRELLA

Fresh off the runways of Paris and Milan, Vogue is the fashion-forward choice for color-conscious homeowners.

The Vogue canopy features a bold stripe, created by seaming together two solid colors of our Regatta fabric. The result is a custom stripe with thousands of possible color block combinations.

Vogue incorporates a sleek aluminum frame from the Paseo collection, with eight standard powder coat color options. The metal is safeguarded from corrosion with a special Chem Film® conversion coating.

Aluminum hubs and stainless steel arm connectors further fortify this sleek, refined umbrella. Vogue is available in square and hexagonal shapes.
