FBG LONDON

FBG London offers two great versatile options for side tables: Sola 1 and Sola 2—made from gray and gold metal mesh with a glass top. The tables are a nod to the mid-century modern aesthetic and draw inspiration from Roman saddle and stone circles. \$7,220 each, D&D, fb-london.com.

GLOSTER

The modern lounge location, Gloster's Lodge Lounge chairs sports a powder-coated aluminum frame with a slatted teak back and foot in a natural finish. \$25,910, available through Patio.com, patio.com, gloster.com.

EQ3

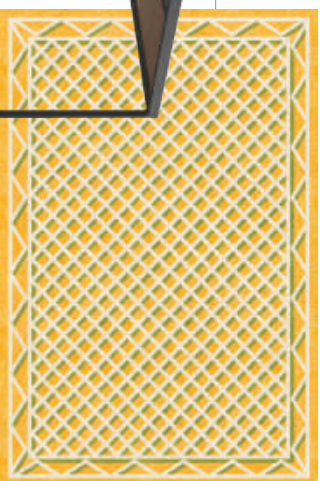

With an adjustable five-position back, the Cape Outdoor Chaise from EQ3 provides a comfortable respite. Constructed in a lightweight and resilient white aluminum frame, it coordinates with the Cape Outdoor Chair, \$1,299. Chaise, \$1,499; available through EQ3 USA, eq3usa.com, eq3.com.

DEDAR

No boring outdoor blankets here, Dedar designs bring up with the Scamius and Sola. Made from a durable, weather-resistant material, the blankets are made from performance polypropylene. Price upon request, Stamford Westside Design District, stamford-dedar.com.

DEDAR: ANDREA FERRARI, COURTESY OF DEDAR

PIERRE FREY

Designed by Caspar, the tufted Trails rug from Pierre Frey is made entirely of high-performance outdoor polypropylene fibers. Price upon request, D&D, pierrefrey.com.

ARHAUS

Sink into the relaxed comfort of the Arhaus Porto outdoor armless chair fabricated from weather-resistant, solution-dyed olefin fabric and dense foam padding. The modular pieces can be combined to create a sectional or a sofa. Price upon request, D&D, arhaus.com.

SUTHERLAND FURNITURE

The Spring 2021 additions to the Vincent Van Dusen collection by Sutherland Furniture include modular pieces and a lounge chair. The pieces are made from 100-percent solution-dyed acrylic fibers. Price upon request, David Sutherland, D&D, sutherlandfurniture.com.

DESIGN WITHIN REACH

The Scandinavian styling of the low back Fern lounge chair was conceived by Sebastian Heuer for Goslar. Sold through Design Within Reach, the chair's frame is made of plantation teak and is wrapped in outdoor ripstop. Customers are available in a variety of finishes, shown here in a light gray finish. Price upon request, Goslar, designwithinreach.com.

ARTEMIST

The bridge set by Visavenete for Artemist pairs a pool and a coffee table. Made from solid briccola diurnat, the table is treated with a clear, natural oil, and the pool can be upholstered in a range of outdoor fabrics. \$8,165, artemist.com.

OUTER

The six-seat U sectional from Outer can handle a crowd. Made from Grade-A teak, it's upholstered in a fade-proof, stain-resistant and easy-to-clean fabric. The good news is that the pieces are easy to move. Price upon request, Outer, outer.com.

TOMMY BAHAMA FURNITURE

Architectural lines crafted from sustainably sourced Indonesian teak distinguish the La Jolla chair lounge by Tommy Bahama Furniture. The pieces are made from 100-percent solution-dyed acrylic fibers. Price upon request, Tommy Bahama Furniture, tommybahamafurniture.com.
