

Double Decker® Umbrella

DOUBLE DECKER® UMBRELLA

A throwback to the '60s and '70s, the Double Decker® umbrella pays homage to the mid-century modern movement. Made famous by the photography of Slim Aarons, this two-tiered showstopper became a fashionable addition to many iconic California landscapes.

From playful to sophisticated, Double Decker umbrellas, available in square and hexagonal shapes, offer endless customization options. By pairing popular mid-century colors like sun-kissed oranges, yellows, and vivid turquoises with bold valance choices such as Keyhole, Marquis or Scalloped with Fringe, Santa Barbara Designs has created a retro look that is as relevant today as it was mid-century.
