

Our Favorite Outdoor Furniture for the Perfect Summer in Maine  
April 2024 | By Jessica Kavanagh

Whether you prefer the coastline, the pool, or the lakeside when the weather heats up, summer in Maine is an experience unlike any other. Prepare yourself (and your backyard) for all of these dining, casual conversation by the fire pit, and a season of sun with these editor-approved outdoor furniture picks.

CE2 | **Paul Hanging Outdoor Chair with Cushion**

How many times have you wished you could bring resort vibes home? This egg-shaped hanging chair with a hardwood seat and faux wicker pod provides a cozy, airy seat you won't want to leave. Add an accent pillow for a pop of color, and look in with your favorite book or beverage.

TUPelo GOODS | **Loop Lounge Chair**

This modern take on an outdoor chair is perfect for the patio, near the fire pit, or by (or in) the pool. Inspired by the mid-century modern movement, the sculptural, ergonomic design features clean lines and curves and is built to withstand sun, rain, and snow.

SANTIA BARBARA DESIGNS | **Regency-Style Parasol Umbrella**

A popular choice for hotels, homes, restaurants, and offices, the Parasol umbrella offers incredible shade protection in a square, hexagonal, or rectangular shape. The sturdy, powder-coated aluminum frame comes in eight color options, and the scalloped regency-style valance allows you to look like a playful touch to any backyard or patio.

WEER ELM | **Westpool Chaise Lounge**

Made from recycled, all-weather wicker that's low-maintenance and easy to clean, this charming chaise reclines to three positions for maximum comfort. A supportive back and cozy bolster cushions (which are water-, mold-, and mildew-resistant) make it the perfect place to enjoy summer gatherings.

KNOLL | **Topiary Bench**

Designed by Richard Schultz in the late 1950s, Knoll's Topiary collection resembles shrubs pruned to look like furniture. On sunny summer days, light filters through the aluminum bench and creates whimsical patterns on the ground below.

WEATHEREND | **Beechcamp Tee Cart**

For backyard quality outdoor furniture made right here in Maine, look no further than Weatherend. The company's high-gloss "patina finish" is available in any color—protects the furniture's natural wood from UV rays and comes with a four-year warranty. This tee cart with brass handles, serving spouts, and a storage shelf makes entertaining a breeze.

FOUR OAK DESIGNS | **Avalon Swing Bed**

Design your own contemporary outdoor swing bed in three sizes: crib, twin, or full. Pick from an unfinished, painted, or stained kiln-dried pine frame, solid cup holders or wire slots (w/nylon baskets), and choose your rope length and hanging hardware. The result? A comfortable spot created just for your space.

NEIGHBOR | **Heaven Dining Set**

Constructed of kiln-dried, FSC-certified teak and all-weather woven rope, this teak dining set with 4, 6, or 8 chairs is made for all-weather dining with friends and family. Featuring a built-in hole for umbrellas (which can be covered with a cap), the set offers a subtle Scandinavian look that'll partner to a sleek gray color over time.

WORTH | **Modern Musko Heated Chair**

If there's a more quintessential outdoor chair than everyone's favorite, the Adirondack Canadian company Worth puts a new twist on the classic seat with a patented thermal core that generates controlled radiant heating, keeping you warm on cool summer nights. Each chair features built-in ambient lighting and can be controlled via phone without installing an app.
