CARVED PIKE PHOTOGRAPH, WILL SLATER

tasty shade of peppermint, which would co-ordinate nicely with their bar (page 298). We've been busy rhapsodising over this pair from Bohemia (£32; bohemiadesign.co.uk), which were made in Morocco. While our gaze is focused downwards, let's consider the Tuareg rug underfoot in the sitting room (page 299) and where to buy the like. Answer: Altai, which has a range of antique Saharan mats (£13,500 approx). Visit altai.it.
4 Jonathan Adler and Simon Doonan's home in Palm Beach

(page 350) is a proper peepers palace – there are sight-specific pieces everywhere, along with blinding hues. The former's 'Eyes' cushion is itself fairly orb-some (£98; uk.jonathanadler.com), Yves Colours' 'Electric Mint Green' and 'Joyful Lilac' paints (£48 for two litres; yvescolours.com) are suitably retina-searing and this 'Double Decker' parasol by Santa Barbara Designs (£5,700; santabarbaradesigns.com) is the very same as the one in the gents' 'Sissinghurst-goes-to-Florida' garden (page 353).

5 Drum role: we can't imagine Hermès would thank us for suggesting, à la Diana Vreeland, that you make a lampshade out of its £1,090 'Coaching Déjà-Vu' shawl (hermes.com). It's Lázaro Rosa-Violán's fault for getting so *carré*'d away repurposing scarves in his Barcelona home (page 314). As for this Ressource paint in his go-to blue (page 313), it does exactly what it says on the tin (£203 approx for 2.5 litres; ressource-peintures.com).
6 No sooner had we seen inside Candace Wheeler's holiday

home than we were hot-footing it to Howe at 36 Bourne Street for a fabric – 'Thimble Print Linen, Little F Tutti' (£160 per m; 36bournestreet.com) – evocative of the kitchen's ditsy drapes (page 328), before beating a path to Bradbury & Bradbury for an Arts and Crafts frieze, 'Lion & Dove' (\$249 for a 6m roll; bradbury.com), akin to the one her daughter painted (page 325). Finally, turned on by her taps (page 331), we wound up at Water and Wood for this antique set (£625; waterandwood.co.uk).
