HANG TEN Los Angeles-based artist and illustrator Mary Matson's line of wallpapers and fabrics, created exclusively for Temple Studio, is a playful ode to summer, as evident in the Surf Peeps wallpaper that's perfect for a beachside escape. templestudio.com

TOWEL OFF Leave it to Weezie to deliver on fun towel motifs for the season with a collection of scalloped, Palm Beach-inspired floral patterns in collaboration with designer Meg Braff. weezietowels.com

MADE FOR SHADE The Regency Double Decker Umbrella in Cabana Blue Stripe by Santa Barbara Designs adds a bold statement to poolside hangs, complete with a crisp white-fringe trim. santabarbaradesigns.com

SUNNY SEAT The Woven outdoor collection from Douglas & Douglas has the appearance of woven wicker, but is actually made of 100% recyclable fibrecane, making it durable against the elements in a range of shades, including Marigold. ngalatrading.com

GROUND COVER Handwoven in London using high-performance silicone, Shore's range of Mats offer the utmost comfort underfoot, while being heatproof, UV-resistant, and available in a variety of covetable colors, such as this Lime colorway. shore-studios.com

LIGHT SOURCE Zafferano America's cordless, outdoor-friendly Poldina Pro lamp can move about and brighten up tabletops that are far from an outlet. A fun addition? Hand-painted, striped ceramic shades that slip over the model's existing aluminum shade. zafferanoamerica.com

LUXE LOUNGER Molteni's new outdoor collection, Pantalica, designed in collaboration with Italian designer Elisa Ossino, is named after the UNESCO World Heritage Site in Sicily. The sculptural, cylindrical cushion construction and chunky aluminum base nods to the rocky outcrop setting in Southern Italy. moltenigroup.com
